REMINISCENCES OF OUR PIONEER DAYS

Gleanings From the Records Left
By Men Who Laid the Foundation of Our County.

The last day of the year 1882 treated the people of this section to a spectacle which would undoubtedly be as surprising in these days as it was at that time, for in this glorious climate of ours a genuine snow storm is certainly a rarity. The day opened rather cold and slightly cloudy, but it was not until 11 o'clock that any premonition of the impending surprise was given by the elements. Then it was that the peculiar haze on the horizon which in more rigorous climates precedes a snow storm began to remark "Well, if this was in any other country on earth I would say it was going to snow." And evidently they were not far astray in their prognostications, for shortly after noon the little white flakes began to fall, lightly at first, but with increasing size and frequency until by dark a covering of four inches of snow covered the valley. Of course it is needless to relate that mere matters of business were forgotten while the older ones of the population renewed old memories, and the more youthful natives enjoyed their first and possibly in some cases only experience of snow falling. It is related that one prominent citizen of the town, more timid than the rest, offered a party of youngsters a bribe of a nice little financial contribution if they would agree to allow him to cross the street unmolested. Of course the youngsters accepted the proffered coin, but the timid individual had accomplished less than half his journey before the promise had been forgotten and he was made the target of a storm of well hardened snow balls.

The municipal election in Redwood City in the spring of 1883 was marked as the quietest in the history of the town since its incorporation. No one seemed inclined to "do politics," and as a result there were no special tickets put up and a very small vote was brought out and in most cases those elected had but little opposition. A. Teague was elected trustee; J. W. Glennan, clerk; John Christ, marshal; L. Jacobson, treasurer; J. S. Hughes, superintendent of streets, and R. C. Welch, police judge.

On the morning of June 15th, 1883, the town of San Mateo was visited by a disastrous fire, resulting in the destruction of the principal business block of the town and a loss of about \$40,000 in property. The flames were first discovered shortly after 8 o'clock by Hugh McKiernan who conducted a saloon in the Walker building opposite the railroad depot. When discovered the fire was in an oil room in the rear of the saloon, from which it spread rapidly. Before the flames could be extinguished the entire block facing the depot was destroyed, including Walker's Hotel. The fire department of San Mateo was possessed of but very limited means of fighting fire and soon found themselves entirely unable to cope with the element of destruction. As soon as the magnitude of the fire was realized a call was made upon Redwood City for assistance and this was liberally and promptly responded to, the hose and engine of the town being rushed to the aid of their neighbors. As reported at the time the principal losses by the fire were as follows: Dr. Goodspeed, drug store and postoffice, \$3,000; A. Borel, \$5,000; Thomas Jennings, \$1,000; McKiernan & Casey, \$4,000; Walker Hotel, \$25,000. In comparison with the loss there was but a small insurance and for a time the people feared that the business section destroyed would never be rebuilt. Much of the work of preventing the further spreading of the fire was done with wet blankets, a weapon of which the San Mateo people made effective use.

The annual school census of San Mateo county for the year 1883 shows some interesting figures, both as indicating the growth of the county and the attendance of the children of that day at school. Of children between the ages of 5 and 18 years there was a total of 2484, of which 1236 were boys and 1198 girls. At the same time there were 863 children under the age of 5 years. Of the total number of children, but 1930 attended the public schools

during the year and 68 were obtaining their education exclusively in private schools. The considerable number of 436 children failed to attend school of any character during the year. Out of the total, 1077 were native born parents, while in the cases of 1730 both parents were of foreign birth and 431 acknowledged one parent of foreign birth. During the year 113 children were born in the county, of which 52 were boys and 61 girls.

The Fourth of July, 1883, was given an enthusiastic celebration in Redwood City, people from all sections of the county uniting in the observance of the day at the county seat. Opening with a salute fired from an anvil as a substitute for the usual cannon, the day was devoted to parade, literature and general merriment. The chief feature of the parade was, as usual, the fire department, the old fire engine being drawn over the route of the procession by four horses. This was followed by a float containing a representation of the Goddess of Liberty, personated by Miss Minnie Hartsough. At the Germania Hall the Declaration of Independence was read by Henry Walker and singing for the occasion was provided by a choir of young ladies from San Mateo under the direction of Rev. I. Goodsell. The oration of the day was delivered by Rev. William Stowe. As usual the celebration closed with a ball at the Germania Hall.

Run Over by an Automobile.
Mrs. Alfred Beer, an aged resident on the island, was run over by an automobile Tuesday afternoon and miraculously escaped instant death. Mrs. Beer was on the new driveway that parallels the railroad, near her home, when the machine which was said to be racing with the train struck her and passed over her body. Her clothing was torn from her. The owner of the machine stopped and gave the injured lady assistance. He said that he was from San Jose and that his name was Johnson. The number of the machine was also taken. Mrs. Beer was badly bruised and may have sustained internal injuries. Yesterday she suffered much pain.

Hayward's Auto Wrecked.
Clarence Hayward's fine new E. M. & F. automobile was almost demolished in a collision Tuesday night. Mr. Hayward left his machine at the Holmes garage for safe keeping. During the evening it was taken out by Merle Howe, an employe at that place, to take a friend to San Mateo to catch the electric car. At San Carlos the machine collided with another auto and then ran against a tree, demolishing the front end. The damage will cost about \$300. The machine cost Mr. Hayward \$1200, but he says he would not sell it for that amount he was so well pleased with it.

Two Ladies Injured.
Mrs. Harry Zimmerman of San Francisco and Mrs. Robert Zimmerman of San Mateo, daughters-in-law of Mr. and Mrs. M. R. Zimmerman of this city, were painfully injured at San Mateo Tuesday while witnessing the celebration. A horse driven by two irresponsible men rushed upon the two ladies, knocking them down and trampling them. They were removed to the hospital and given attention when it was found that neither was dangerously injured. The drivers of the horses were arrested and afterwards released on their promise to pay any expenses that might result through their recklessness.

Awarded Teachers' Certificates.
The Board of Education completed its labors Saturday. Of the thirteen applicants for teachers' certificates but three were successful, Miss Catherine Dowell of St. Helena, Miss Alice W. Myers of Williams and Miss Marion Cooper of San Francisco. The latter young lady almost broke down during the examination but she stuck bravely to her task and passed with a high percentage. The board granted a renewal of the certificate of Miss Fannie Moore and also granted Miss Gertrude Beger, a Stanford graduate, a permanent certificate.

Picnicked at La Honda.
Two automobiles loaded with local residents drove to La Honda Tuesday and spent the Fourth in the shady groves of that delightful place. Among those who composed the party were, Mr. and Mrs. H. B. Gardner, Mr. and Mrs. J. E. Ensor, Mr. and Mrs. G. L. Bresse, Miss Lucy Galabotti, Miss Mae Cook, Miss Lucile Bresse, Miss Bee Fox and Guy P. Hull.

HENRY PEASE WILL GO TO THE PENITENTIARY.

Henry Pease, formerly of this city, who shot and seriously wounded Miss Lena Espinosa, his common-law wife, and her father, Jose Espinosa, near Watsonville in April was convicted at Santa Cruz Saturday. For shooting Espinosa he was sentenced to serve two years at San Quentin and for the attempt to murder the woman he will be sentenced this week.

Pease is a native of Redwood, the son of Tony Pease and the grandson of the late James Pease, San Mateo county's noted pioneer. He is an all around bad man and needs some such corrective treatment as will be provided at the penitentiary. After committing the crime he fled to this city and was arrested by Marshal Coleman.

Ocean Shore Safe Cracked.
The safe in the office of the Ocean Shore Railroad Company at Mission and Twelfth streets, San Francisco, was blown open early on Monday and over \$400 taken. The robbery was reported to the police by a pedestrian, who said that he was approaching the Ocean Shore station when a man appeared and ordered him away with a revolver. He said he could hear a noise as of some one drilling a safe. When two patrolmen accompanied the man back to the station they found the safe blown to pieces and the culprits missing.

Just a Reminder.
At 2:02 Saturday afternoon residents of this city were treated to a reminder of the big quake of 1906 in the form of a short and sharp shake. Some people were alarmed, but no danger was done and within a few minutes the event was forgotten. The disturbance extended as far north as Seattle and east to Carson City, Nevada.

Death of Mrs. Elkerenkotter.
Mrs. Hannah E. Elkerenkotter, a former resident of this city, passed away in San Francisco Friday after a long illness. The deceased was survived by a daughter, Mrs. William Dickie of Napa. The burial took place in that city Monday.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Champ Clark has written to the Democratic editors of his district to inform a presidential nomination. Perhaps it them that he is not running away from would have been better if he had waited until he was quite sure one was pursuing him.

It might not be amiss to once more remark that there is still room for a few more names on the rolls of the San Mateo County Development Association. And while you are sending in your name, don't forget that one of the best means of developing any section is to do your trading at home.

The laundries throughout this section have generally advanced prices since the new woman's labor law went into effect, claiming that their increased expenses have made this step unavoidable. For taking all the traffic will bear, on the flimsiest of excuses, the railway lines are not the only pebbles on our national beaches.

TIME FOR A CHANGE.

If there is any truth in recent press reports from the City of Mexico, it is high time that the State Department took steps to retire Ambassador Henry Lane Wilson to the obscurity of private life. The man who will so far forget the traditions of his country as to fail to pay ordinary respect to its National hymn is certainly not a fit representative of the United States at the capital of any nation. If the gratification of Mr. Wilson's appetite is a matter of more importance to him than respect to his country in a public place, he should be given an opportunity to devote his entire time to his personal needs. At the same time President de la Barra is entitled to the thanks of every citizen of the United States for the public rebuke which he took occasion to administer.

Guild Entertains Bride.

Mr. and Mrs. W. L. Davis returned to this city Friday evening from their brief honeymoon trip and spent two days visiting with their parents before permanent residence in San Jose. On Saturday afternoon Mrs. Davis was entertained at the home of Mrs. Chas. Cook by the members of St. Mary's Guild with a wedding shower. The afternoon was pleasantly spent by the ladies in social converse and music, followed by the service of an inviting repast. As reminders of the happy occasion Mrs. Davis was made the recipient of numerous ornamental and useful presents.

Another Wedding Surprise
 Francisco Bowie, son of Doctor Bowie, formerly of this city, and Miss Irene Williams of Palo Alto, eloped to Stockton on June 4th and were married by Father Moran of that place. No one suspected that the young people were married until a few days ago when the couple announced their wedding to their families and friends. Young Bowie is very well known in town where he resided until a few years ago. The bride is a sister of Mrs. H. C. Peterson, whose husband has been curator of the Stanford University for a number of years.

Redwood Rovers Raked.
 The baseball game played at San Mateo on the 4th of July between Redwood City and San Mateo was one of the greatest ever pulled off in San Mateo county. Redwood City had a team in the field, that with proper team work and a little less ivory headed players, could hold its own with any team in the state outside of the big league. But as usual in a game with San Mateo, the proper errors were put into the proper places, just as the San Mateo team needed same, and the result was a 3 to 2 score in favor of the San Mateo team.

San Mateo led off in the first round with one run to the good which Redwood tied, and the score stood even until the eighth inning, when Lagorio, the famous fence buster of San Mateo, (who had struck out each time until that time,) hit a little scratch fly and Mitchell, Goldy and Miller of Redwood went after it and no one touched it, although each one singly could have stowed it safely in his mitt. The result was that two-runners scored.

In the ninth frame, Redwood scored one more run and although Al Becker was put in to bat and connected with the pill for a nice single and Sunberg did likewise, still the next batter, Benn, didn't come through, and then Ross, Redwood's star pitcher hit a liner to Smith of San Mateo on second, and the side was retired, with the score of 3 to 2.

Sidney Ross, who has been pitching for Redwood this season, deserves a great deal of credit for holding San Mateo down to one hit, and for striking out ten men who are very good hitters. San Mateo couldn't touch him at all, and he pitched circles all around Benham. San Mateo's famous south-paw, Redwood secured 6 hits off Benham.

Redwood City can boast of one of the best popular amusement houses on the peninsula. At no place are better pictures shown, either as to quality or character than, at the Bell Theatre, while the house is well ventilated and comfortably seated. The management has secured some more special features for the coming week.

At the Methodist parsonage in Redwood, July 4th, two very patriotic young people, Mr. Wm. M. McKay and Miss Ethel M. Benner, both of San Francisco, were united in marriage. They were attended by Mr. and Mrs. Botts and Mr. Lloyd C. Huff, also of the city.

Traveling Wedding Party

Quite a party of San Franciscans were in Redwood July 5th, attending the wedding of Mr. Donald MacKenzie and Miss Bell Brown of that city. A party consisting of Mrs. MacKenzie, Mr. Kenneth MacKenzie and Miss MacKenzie, mother, brother and sister of the bride, and other friends. The bride was gown in a tailored traveling suit, with elaborately trimmed lace shirt-waist and black picture hat with plumes. The groom wore the conventional black. The ceremony was performed by Rev. W. G. Trudgeon of Redwood. They made quite a jolly party, and after the bride and groom took their departure to Santa Cruz, the remainder of the party left for San Francisco, where later the young couple will make their home.

Appraisers Appointed

Judge Buck has appointed Chas. A. King, L. A. Gibbons and L. E. McLellan appraisers of the estate of Ella F. M. Redding, deceased.

New Suits.

Anna H. Fleming of Redwood City has brought suit in the superior court against her husband, Roy Fleming, for a decree of divorce on the grounds of desertion and failure to provide.

New Building Contracts

The following builder's contract was filed in the recorder's office yesterday. D. Houle agrees to erect for Lillian Kosta and Nicholas Kosta in 90 days a five room cottage at Colma for \$1960.

New Actions Filed.

John A. Fink has brought suit in the superior court against Charles M. Johnson and his wife to recover \$1000 on a promissory note executed on April 8th, 1910 and secured by mortgage on real estate in the county. Plaintiff wants attorney fees in the sum of ten per cent of the amount recovered and costs of suit and interest at the rate of ten per cent per annum.

An Ungrateful Waiter.

Herbert Taylor was arrested yesterday on a warrant sworn to by E. Anderson, proprietor of the Del Monte Hotel, charging Taylor with attempting to defraud the hotel keeper out of his board bill. Taylor was taken sick at the hotel several weeks ago and was penniless and was nursed to health by Mr. Anderson. He is a waiter by occupation and agreed to work out his indebtedness, but after a few days employment left for San Francisco without carrying out his agreement. His arrest followed.

Receiver Files Report.

R. H. Brotherton, receiver of the Pacific Jupiter Steele Company, has filed his report. It shows the receipts for the sale of machinery, etc. to be \$2,517.48 and total disbursements to be \$2,308.57, leaving a cash balance in the hands of the receiver amounting to \$308.91. Brotherton was appointed on January 4th, 1911. On July 11th at 10 o'clock he will move in the superior court to have his report accepted and approved and the compensation of the receiver and his attorneys fixed. Heller, Powers and Ehrman are the lawyers of the receiver.

William Kelly, an experienced harness maker of San Francisco has opened a cleaning and repair shop in the Maloney block. He should receive his share of the public patronage.

The handicap and tournament was held at the Menlo golf and country club. Perry Eyre won the men's series and Mrs. August Taylor was the winner in the women's class. Two cups were given by the club to the two winners.

Dr. Harland Law, the San Francisco millionaire, is preparing plans for a handsome home on his property at Fair Oaks. The site of the mansion will be in the Rancho tract. It will be one of the finest residences on the peninsula.

The Duff and Doyle house recently vacated by J. J. Tuttle on the corner of Railroad avenue and the county road has been rented to a gentleman employed in the motor power department of the Southern Pacific Company.

Beautiful line of dimity and gingham wash dresses, kimono sleeve, the latest style, \$1.50 up. Just the thing for the Fourth. Ostrander's.

The Fourth passed off quietly, no accidents occurring to mar the pleasures of the day. It was indeed a safe and sane Fourth. Fire works at the Fair Oaks golf links attracted a large crowd in the evening. Many of the youngsters enjoyed the ball at San Mateo.

George Meekins delivered the oration at the Fourth of July celebration held at La Honda. Those who heard him say he waxed eloquence in referring to the tall redwoods as an appropriate place under which to observe Independence day. His pyrotechnic close brought forth prolonged applause.

A dry town has too many terrors for William Long, a local character who has lived here for the past twenty years. He left the party after the saloons were closed for parts unknown. Willie's familiar figure that gr. 1 the streets for low these many years will be missed by the denizens of the village.

E. L. Taylor has begun the erection of a neat bungalow on his property on Webster street, Palo Alto. His residence here will be rented. Mr. Taylor and his family have moved from their home during their long residence in Menlo Park and it is a matter of deep regret to see them go. However they carry the best wishes of all for happiness and prosperity in their new home.

Mrs. Theodore F. Payne and her three sons will arrive here on the 18th instant after making a tour of Europe. While abroad Mrs. Payne selected some rare finickings for her new home. They are both rare and costly and selected with the greatest care. Active work will begin on the structure at once so that it may be completed before the rainy season sets in.

The recent shake up of the San Francisco police department has caused Officer T. P. Maloney to lose his position as detective sergeant. He has not been put back on a beat. This is to be regretted for Mr. Maloney made good as detective. He was considered one of the cleverest on the force. The police department is certainly an unknown quantity. It is like the Dutchman's flea, now you have it and now you haven't.

S. J. McEnnis, late of Menlo Park has recently purchased a branch of Whitehead's wholesalers consisting of ice cream parlors, choice candies, etc. also a select line of stationery. Formerly run under the management of White, S. J. McEnnis is at present running this business on his own responsibility and most of the goods supplied by the firm of Whitehead Mfg. who formerly ran a branch. We wish him success.

Former Menlo Pastor Dead.

The sad news of the death of Rev. Royal Moodie at his brother's home in Nebraska on June 22nd was received here during the week. The deceased clergyman was rector of the Presbyterian church here for three years and two years ago left for Nebraska, owing to ill health. He was held in the highest esteem by his former parishioners and others who knew him. He was a scholarly gentleman, a deep thinker and a student possessed a charitable disposition and a kindly feeling for his fellow men. Mr. Moodie was a class mate of President Taft at Yale and he often used to tell of the pranks of the chief executive at college. The friendship formed in school days ripened with time and the two men regularly communicated with each other. When President Taft was in San Francisco two years ago the first man he in-

quired was Royal Moodie and when he met him he warmly greeted his old school mate. Before coming to California Mr. Moodie was pastor of some of the largest Protestant churches of the east. He had been ill with pernicious anemia for several years and came to the coast for his health. Deceased was in his fifty-sixth year when the grim reaper came. The funeral took place on the 24th of June. A beautiful and costly floral piece was sent by the class of '78 of Yale and among the names of the senders was that of the president. The deceased left a wife and two sons to mourn him. The sons are both graduates of their father's alma mater. They have the sympathy of the community in which the deceased clergyman was so well-known and liked.

DOINGS ABOUT THE COUNTY OFFICES

Matters of General Interest to Litigants Culled from the Public Records.

Husband Gets Divorce.

Judge Buck has granted an interlocutory decree of divorce to Edgar J. Brown from his wife, Mary Brown, on statutory grounds.

Marriage Legal.

Judge Buck has granted a decree establishing the marriage of Mary T. Crowfoot and John T. Crowfoot. The couple was married in San Francisco on November 16th, 1904. John T. Crowfoot denied the legality of the marriage and the wife brought suit to establish same.

Appraisers Appointed.

Judge Buck has appointed F. A. Cunningham of South San Francisco appraiser of the estate of Robert H. Tucker, deceased.

A Serious Charge.

On a warrant sworn to by his 17 year old daughter Helen, charging him with having beaten her because she attended a Fourth of July dance at San Mateo, Gabriel Garcia, a merchant of this city, was arrested here Tuesday night. He was arraigned before Justice of the Peace Lampkin, pleaded not guilty and was released on \$100 bail.

Ready for Probate.

Robert J. Henderson has applied in the superior court for letters of administration upon the estate of Sarah J. Henderson, who died on June 10th, 1911. The estate consists of community property valued at \$5,000. The heirs at law are, the petitioner, husband of deceased and the following children: Rose J. Henderson, aged 16, Walter E. Henderson, aged 13, Robert, aged 9, Annie, aged 6 and John Henderson, aged 3. They all reside with their father at Moss Beach.

Marriage Licenses.

During the week the county clerk issued the following marriage licenses:

R. P. Malcolm, aged 31 and F. M. Behr, aged 21, both of San Jose.

Stanley Derham, aged 21, and Leora Maguire, aged 21, both of San Francisco.

William M. McKay, aged 23, and Ethel M. Benner, aged 22, both of San Francisco.

Donald MacKenzie, aged 35 and Bell A. Brown, aged 30, both of San Francisco.

Francis A. Merwin, aged 55 and Minnie Rose, aged 47, both of San Francisco.

Henry F. Wrampelmeir, aged 21, and Martha P. Irving, aged 18, both of Berkeley.

John Thomas, aged 21, and Maria Bernarda, aged 20, both of San Mateo.

Is it a Newspaper?

J. L. Brown, editor of the Daily City Record, has petitioned the superior court for an order establishing the standing of his paper as a newspaper of general circulation. He recently brought suit against Mr. Deller for damages in the sum of \$5000 and it is understood the defendant in the action questions the standing of the paper. The Daily City Record was until recently the Colma Record and owing to the change of name it is a question whether or not it is a newspaper of general circulation. According to a recent enactment by the State Legislature a paper must be in existence a year before it is a paper of general circulation. As the change of name was only made a few months ago it would seem that the Daily City Record has no legal standing. However, Brown brings the action to determine the question. The petition has been set for hearing for July 18th.

Will of Mary E. Fuller Filed.

Lewis Everett Fuller has filed the last will and testament of his mother, Mary E. Fuller, who died at San Mateo on June 19th, 1911. The instrument names Marlon Fuller as executrix but she declines to serve and names her brother to act. The value of the estate is placed at \$25,000. It consists of cash in bank amounting to \$8612.13 household furniture valued at \$1000, 500 shares of the capital stock of the Cypress Lawn Improvement Company worth \$3000. The real property of the estate consists of lot 1, block 3, Burlingame valued at \$2000, lot 10, block 1, Hayward Park, valued at \$2200, lot on corner of Minnie and Griffith streets, San Mateo with improvements valued \$8000. The town of Paradise, Butte county valued at \$200, lot 1 and 9, block 359, Vallejo Township, Solano county worth \$150. The heirs at law are Lewis Everett Fuller and Marlon Fuller, son and daughter of the deceased.

Wants to Sell Oil Stock.

The Union Trust Company of San Francisco, administrator of the estate of Lendall M. Gray, deceased, has petitioned the superior court for leave to sell 60,000 shares of the capital stock of the Honolulu Consolidated Oil Co. The stock was, by order of the court of July

COUNTY GAME LAW AMENDED

Supervisors Receive Report of County Assessor Hayward and Meet as Equalization Board

The Board of Supervisors met in regular session Monday, July 3d, there being present P. H. McEvoy, president, and J. E. Blackburn, W. H. Brown, J. T. Casey and Jos. M. Francis.

The minutes of the two previous meetings were read and approved. Reports of the county officers were read and accepted as follows: John O'Farrell, the superintendent of the courthouse grounds, reported the total expenditure during June to be \$452.87.

Reports were received from the motorcycle patrolmen as follows:

M. F. Brown, Second township: Worked 12 days; 10 arrests; 9 convictions; 2 cases pending; fines, \$90. T. A. Martenstein, Third township: Worked 23 days; 9 arrests; 5 convictions; 4 cases pending; fines \$120.

A petition bearing the signatures of over five hundred residents of the county, was presented by L. E. Fuller, business agent of the San Mateo County Development Association.

W. J. Martin of South San Francisco spoke strongly in favor of the petition. He stated that all over the state appropriations were being made by the various boards of supervisors for the purpose of advertising the resources of the counties to attract the attention of the thousands of eastern visitors that are now in the state.

The development association is constantly in receipt of letters asking for information concerning San Mateo county but there is no literature to send them. This county, situated so close to San Francisco, should be the first to feel the benefit of the influx of eastern tourists that is here now and will continue to come to the coast. The money will be handled judiciously and for the sole benefit of the county.

Supervisor Brown stated that he had attended the meetings of the Board of Governors of the development association and assured the board that not one cent of the money collected had been spent foolishly. Every member is in earnest and is working hard for the good of the county. One of the things that this county needed said Mr. Brown was a display of its resources and products in the Ferry building in San Francisco.

He then introduced the following resolution and moved its adoption:

Whereas, the best interests of San Mateo county demand vigorous action in the advertisement of the resources of the county and the encouragement of immigration to the same, and

Whereas, these interests can best be promoted at the present time by the San Mateo County Development Association, and

Whereas, funds are necessary to the accomplishment of said purpose, and

Whereas, over five hundred voters of San Mateo county have petitioned this Board of Supervisors that they appropriate the sum of two thousand (\$2,000) dollars per year to and for the use of said Development Association in advertising the county and encouraging immigration thereto, which sum can be legally appropriated by said board.

Now, therefore be it resolved that the Board of Supervisors of the County of San Mateo, State of California, do hereby set aside and appropriate to the San Mateo County Development Association, as the same is now organized and existing, the sum of two thousand (\$2,000) dollars for the fiscal year ending July 1st, 1912, which said sum is to be used by said Development Association in the advertising of said county and the encouragement of immigration to the same.

It is provided that strict accounting shall be made to the Board of Supervisors of the expenditure of said fund, and the same shall always be subject to the control of said Board of Supervisors.

Mr. Martin read a letter that the Development Association had received from the California State Development Board inviting the county to maintain a display in the Ferry building from which good results had been obtained by the other counties. Attention was also called to lectures relative to the different counties. An offer was made to make use of such slides as might be furnished from this county to illustrate the lectures.

Supervisor Brown stated that the Board of Governors of the association had recently waited on the railroad officials and presented the county's claim for a lower commutation rate and an effort was being made to secure it.

On motion of Brown, Superintendent Dickey was granted leave of absence for two weeks.

Three bids were received for removing the trees from the site of the new city hall and the roadway of Center street as follows:

John Kerr, \$1 per tree and wood. George Elkenkotter, \$3 per tree and wood.

John Tribollet, \$20 for the job and the wood.

The bid of Tribollet was accepted on motion of Trustee Hynding.

McGarvey, Kreiss & Hess appeared before the board and gave a satisfactory explanation for the delay of the street work in Diggins Hotel which explanation was accepted by the board. They will complete their contract as soon as possible.

ing made to secure a water supply from the Spring Valley Company. The representatives who had attended those conferences paid their own expenses.

Mr. Martin then spoke of the state bond issue of \$18,000,000 which was to be expended in constructing highways throughout the state and assured the board that unless an active campaign was made San Mateo county would not secure a portion of this money, because the transbay counties are strongly organized and have been at work in this movement while San Mateo county has taken but little interest in the matter. Mr. Martin stated that he had enlisted the support of the San Francisco Chamber of Commerce and the Santa Clara county businessmen and a strong fight would be made on behalf of this side of the bay at the convention to be held at Sacramento on the 10th instant when the money would be apportioned.

Chairman McEvoy assured Mr. Martin of his gratification at the interest that was being taken in this matter by the development association. It was vital that San Mateo county secure a share of the state highway fund.

Assemblyman Brown stated that he would attend the meeting at Sacramento and join with the other representatives in urging the county's claims. He could not see how San Mateo county could be ignored.

Addresses were also made on the subject by S. D. Merk, and L. E. Fuller.

Casey seconded Brown's motion for the adoption of the resolution and the motion was carried unanimously.

On motion of Brown, seconded by Blackburn, it was voted that the district attorney, assessor and surveyor be requested to also attend the convention at Sacramento and present such data as will aid in the recognition of the county's claims.

Mr. Martin called attention to the effort that was being made by the Development Association to secure a supply of water from the Spring Valley Water Company, the absence of which had served more than any other agency to retard the county's progress.

McEvoy was of the opinion that on account of the indifference of

CELEBRATION AT SAN MATEO

Woman Makes Desperate Attempt at Self Destruction—Breezy Notes From Pescadero Way.

San Mateo's celebration of the Fourth of July will rank among the most successful observance of the National holiday in the history of this county. The public decorations were especially handsome, the entire business district being covered with American flags and other symbolic emblems. The day's program opened with an immense parade, in which it is estimated that over 1000 persons participated, organizations from all portions of the county being represented. The literary program included some especially interesting numbers, among which was an eloquent and timely oration by District Attorney Franklin Swart. A strong feature of the athletic sports of the afternoon was the game of baseball between the San Mateo and Redwood City teams. The game was closely contested, San Mateo winning by the close score of 3 to 2. In the evening a splendid display of fireworks was given on the grounds of the Peninsula Hotel. The ball given in the evening by the members of the fire department attracted a large attendance. Never in its history has San Mateo entertained so large a crowd of visitors.

The city council of San Mateo has invited the cities of Burlingame and Hillsborough to send representatives to a conference to consider the question of a water supply for the three municipalities.

Seemingly prompted by a fit of melancholia, Frank Jones of Burlingame made a desperate attempt at self destruction last Tuesday morning. The unfortunate woman slashed her throat with a carving knife, partially severing the jugular vein. She is now lying at the Red Cross Hospital, where the physicians express hopes of her recovery.

Solomon Davison has disposed of his handsome home at Belmont to a San Francisco party who is connected with the Italian Bank. The Davison place adjoins the Geo. Center mansion and is one of the prettiest homes in Belmont.

On Tuesday evening of last week Miss Laura Emmett entertained a party of friends at her Belmont home in honor of her cousin, Ben Springstein. Dancing and games were the pastime of the evening which closed with the service of dainty refreshments.

Because of his removal to another field Rev. J. O. Lincoln has been compelled to resign his office as one of the library trustees of San Mateo. Mrs. J. H. Doane has been appointed by the city trustees to fill the vacant post.

Daily City residents celebrated the Fourth with a parade, a picnic, a dedication of fine concrete swimming station, a drinking fountain and a flagpole. The station, flag and fountain were the gift of John D. Daly, a well-known citizen and politician, after whom the new town was named. Over 2,000 people participated in the parade, which was held on Owens avenue, in San Mateo county, along Mission road to San Francisco county, returning to the junction of Mission road and Wellington avenue, where the exercises took place.

The school trustees of South San Francisco are contemplating arrangements to submit to the voters of the district a proposal for the issuance of bonds to the amount of \$14,000 for the purpose of making needed improvements and repairs to the school property. It is proposed to finish the upper story of the grammar school building and provide furniture so that this portion may be used for high school purposes and to purchase two lots adjoining the school property.

The work of laying gas mains in South San Francisco has been completed by the United Gas and Electric Company and it is announced that the system for the city will be completed as soon as possible.

City Marshal Kneese of South San Francisco, who has been a sufferer from rheumatic trouble has returned to duty. While much improved, he is not entirely well.

Petitions are being circulated among the citizens of San Bruno asking the supervisors to submit to the voters of that section the question of municipal incorporation.

The people of San Bruno have been given a rather strong opposition to levy a special tax for fire purposes was defeated by a strong majority. Within 24 hours after the defeat of the fire tax, the town hall, a public assembly place erected by the San Bruno Hall Association, was entirely destroyed by fire, entailing a loss of nearly \$5,000. Although denied the funds for the purchase of necessary apparatus, the firemen did the best work possible under existing conditions, and managed to save adjoining buildings.

The trustees of Daly City are republishing their plans for a municipal water system. They have completed arrangements for a supply of 9000 gallons per hour and announce that the system will be extended as rapidly as possible.

The business men of Halfmoon Bay have taken the preliminary steps for the formation of an improvement association. At a meeting recently held at the Occidental Hotel a temporary organization was formed with H. E. Griffith, editor of the Review, as chairman. After some discussion of the objects to be

accomplished, a committee composed of A. Gilcrest, A. S. Hatch, Dr. C. L. Morgan, Supervisor Francis and Deputy Coroner W. V. Francis, was appointed to submit plans for a permanent organization. It is planned to provide a number of public attractions for visitors and to create a spirit of local improvement. It is possible that the question of municipal incorporation will soon be taken up.

Joe Torry is making a number of improvements on his property near Halfmoon Bay. Among these is a large new barn.

The Moss Beach Realty Co. is erecting an out door dancing pavilion on the site of the Moss Beach Hotel, which was recently destroyed by fire. This will form a great attraction for visitors to that section as in the past there has been no accommodation for out door enjoyment of this character.

The High Gravity United Oil Co. has been making good progress on their well at Tunitas. Late in the morning has gone down at the rate of from 60 to 30 feet daily, the gray shale. The little Terpin boys are coming down to visit N. A. Armas at Green Oaks ranch.

Victor Quincy was down from Harrison Tuesday.

SUPERVISORS AMEND LOCAL HUNTING RULES.

The county game laws were amended by the board of supervisors last Monday so that they are practically the same as the state game laws. There are two exceptions however, one that tree squirrels cannot be hunted at any season of the year. The state law allows them to be shot from September until January first, except in Mendocino county where there is no limit or closed season. The bag limit is 12 per season. The other exception is that a limit of 15 is placed on black and red abalones. The state law does not put a limit on them except that they are to be taken for food only.

Handsome Lodge Donation.

Charles W. Clark, son of the multi-millionaire mining man, at a meeting of the Elks at San Mateo last Wednesday evening donated the sum of \$5000 to the lodge to be used as the members may see fit. The gift was thankfully received and will be devoted to some worthy purpose.

Additional Local Notes.

Mr. and Mrs. R. Fahy of San Francisco have rented the Hartley house on Stambaugh street for the summer vacation.

Chas. Stevens and Miss Margaret Kearce of San Francisco, were visitors to Mr. and Mrs. Fahy on Saturday and Sunday last.

The trial of George B. Jackson, who ran down Mrs. A. J. Beer on July 4th was set for Monday by Judge Lampkin for Monday next at 10 o'clock.

Miss F. A. Moore, a recent teacher in the Redwood City school department, has secured the Montara school. Miss Moore is a splendid teacher and gave general satisfaction while in Redwood City.

The suit of Eli Turville against Albert Meyer and others has been dismissed in the superior court. The action was filed November 4th, 1910 and grew out of sale contracts entered into by the parties to the suit in 1906.

The many friends of Dickson Bell in this county will be pleased to learn that by the recent shake up of the police department of San Francisco he has been returned to the detective force, a position he formerly held with distinction. He comes from San Gregorio where his boyhood days were spent.

George C. Ross, the well-known attorney, left yesterday for his annual vacation to be spent in the mountains. Mr. Ross is devoted to his profession and needs recreation. Oh his return in about two weeks Mrs. Ross and her son Lee T. Ross will depart for Honolulu to be gone a month or more. They will be accompanied by Mrs. Ross' sister, Mrs. Childs of Oakland. They will take Mr. Ross' big touring car with them and will motor through the islands seeing all the sights of that delightful region.
